

Harmony on the Sound Chorus

FOR IMMEDIATE RELEASE

Harmony on the Sound Chorus Guest Night

Trumbull/Bridgeport, CT, February 6, 2019

Harmony on the Sound Chorus, 16-time New England Regional Chorus Champion, is preparing to represent the region in International Competition in New Orleans this September. The chorus wants to invite women who can sing a cappella to join them on Wednesday, March 20, 2019, 7:00-10:00 pm for a special **Guest Night** where they will share their experience with ladies who attend.

Attendees will learn about the original American art form of Barbershop Harmony, and how the chorus is preparing for its International appearance. All adult women are welcome to attend, and potentially audition to join the chorus in time to travel to New Orleans. There is no obligation to join the chorus, however. If you love the sound of close harmony, you are encouraged to attend.

The **HOTS Chorus** rehearses at St. Nicholas Antiochian Church New Parish Hall, located behind the church, at 5258 Park Avenue, Trumbull/Bridgeport line – immediately off Exit 47 on the Merritt Parkway.

The chorus is a chapter of Sweet Adelines International, an organization of nearly 25,000 women worldwide. In winning the regional competition last spring, they beat 18 other choruses from New England, Montreal and upstate New York. At the International level, the chorus competes against approximately 35 choruses from as far away as Australia and New Zealand.

Members of **HOTS** range in age from 20 to 88 and have a wide range of family history, interests and employment. Most live in Southwestern Connecticut, from western New Haven County, all across Fairfield County, and into lower Litchfield County.
